1. RESPONSE: I enjoyed the course, but the work was almost too much when considered alongside the amount of work required for my other classes.
  2. RESPONSE: He was very helpful and provided a great foundation for me.
  3. RESPONSE: Prof. Duquet was one of the best professors I've had and he should change nothing.
  4. RESPONSE: N/A
  5. RESPONSE: The instructor was always prepared and organized. He always engaged with the students and encouraged them to participate.
  6. RESPONSE: I have learned a great deal and felt free to learn at a good pace.
  7. RESPONSE: I think this course could be improved by breaking down the individual words in common phrases, and by working more carefully on pronunciation. Otherwise, EXCELLENT course!!
  8. RESPONSE: 2 things to note with me. 1, my major has no need for foreign language, and even if it did, I would be able to use my spanish for spanish speaker credits for it, or I would take introductory spanish and skate on by. But I didn't. 2, as I result, I took this class on my own volition, for my own benefit. It serves no academic or major-fulfilling purpose, but because I want to learn another language. I'm fluent in Spanish and English, and adding another one doesn't hurt, so I went with French. It's a romance language and already very similar to Spanish. Anyways, this class was overall pretty good; Valentin is everything one would want in a teacher. He would be very attentive of progress and watch out for you individually.
